

SCHOOL UNIFORM POLICY

Pupil's dress and attention to their appearance is important. It is a policy of the Governors of this school that school uniform should be worn. Parents should fully support the wearing of uniform according to the guidelines. If there are any difficulties in interpreting the guidelines, parents should consult the Head Teacher.

In all matters to do with uniform, as to the appropriateness of any items of clothing, footwear, jewellery or hair style, the Head Teacher's decision is final.

The uniform is as follows:-

	WINTER (September-Easter)	SUMMER (Summer term)
BOYS	White shirt, long trousers (mid-grey), School Tie, School Jumper, Socks (grey) Plain black shoes	White short or long sleeved polo shirt, Trousers long or short (mid-grey), School Jumper, Grey socks, Plain black shoes
GIRLS	White blouse, Skirt/Pinafore (mid-grey) or School Trousers (mid-grey), School Jumper/Cardigan, grey socks or grey tights, School Tie Plain black shoes	Red & White Checked dress School Jumper/cardigan, White knee length or ankle socks Plain black shoes

IMPORTANT NOTES

SHOES

Children need sensible shoes for wearing during the day and arriving at school. We allow them to change into a pair of other shoes, e.g. trainers, for activity at playtime. Younger children (Reception, Years 1 & 2) do not normally do this because it can take them too long and reduce the time they have to play.

For PE, children need pumps for indoor activity and trainers for outside games lessons. Please note: No big heels! No wheels under heels!

Trainers are not acceptable for arriving in school or wearing during lessons. Anyone who arrives at school in trainers will be asked to change into pumps for the remainder of that day.

PE KIT

Gold top, black shorts (available to buy at school), pumps for indoor PE, trainers for outdoor games. Every child needs a PE bag (available to buy at school).

SHIRTS

All shirts must be worn tucked into trousers. Shirts in winter uniform must be able to button at the collar, underneath a tie. Polo shirts in Summer should be partially buttoned. (Polo shirts are available to buy at school)

HAIR

Long hair should be tied back to minimise the risk of infestation. Hair accessories, including headbands should be simple and functional. Extremes of hairstyle are not acceptable, e.g. no allover head shaves lower than a grade 3, completely shaved, tramlines, words shaved in, centrally spiked, coloured, thickly gelled or with beaded plaits.

JEWELLERY

Watches may be worn. Small studs may be worn as earrings, but ought to be removed for PE and games. Chains with religious medals may be worn inside clothing, but also need to be removed for PE. No other jewellery items should be brought to school (e.g. rings, hooped or dangling earrings, bracelets, any other kind of necklace.)

COATS

Children need a jacket or coat in school. School Fleeces and coats are also available to buy. Denim jackets, hooded tops with jazzy logos or similar fashion items are not acceptable as coats.

ALL ITEMS SHOULD BE CLEARLY MARKED WITH THE OWNER'S NAME
