Dear Parents

New Uniform Supplier

As many of you may be aware, we have experienced some problems recently with School Trends, our existing school uniform supplier. We therefore took the decision to change our supplier and I am very pleased to announce that we have chosen Uniform Shop Online who will be providing all of our uniform items from now on. Our account is now open and orders can be placed immediately. For full details, please visit the Parents section of our school website and select School Uniform from the drop down menu.

Uniform Shop Online have agreed to price match, or slightly discount, all of our items so there will be no price increase to parents and they have guaranteed a maximum delivery time of 14 days. You will also see that we have introduced sweat jumpers and cardigans as an alternative to the standard knitwear items, if you would prefer these.

As before you will be able to order items directly by using the link on our website. Alternatively, for this academic year only, you can order all items through the School Office. Our new Multi Academy Trust are keen to minimise the amount of cash and cheques that are handled by the individual School Offices and therefore we will be phasing out the ability to order uniform items from school. From September 2019 all items, apart from bags and ties, will need to be ordered online.

If you have any questions about our new uniform supplier please do come and see either myself, or Mrs Thomas in the School Office.

Yours sincerely,

Mrs Allen
Business Manager
