

Saint Joseph's Catholic Academy

School Improvement Plan Overview 2022/23

Our Faith

To reconnect and further develop the links between school and Parish community to raise the standards of R.E and enhance the quality of Catholic Life and Collective Worship within the school

Our People

To ensure pupils follow rules,
respect staff and others

To ensure pupils are making links between phonics and real-life reading and writing

To ensure children make good progress throughout Early Years

To raise standards with SEND and
intervention pupils:

—————
To close the gap

To ensure pupils are aware of where they are heading; be able to identify when they have achieved a skill and be able to apply that knowledge in real life situations

Our World

To embed additional personal development, equality and inclusion opportunities and cultural capital into the curriculum/school-life
