

# SCHOOL IMPROVEMENT PLAN OVERVIEW

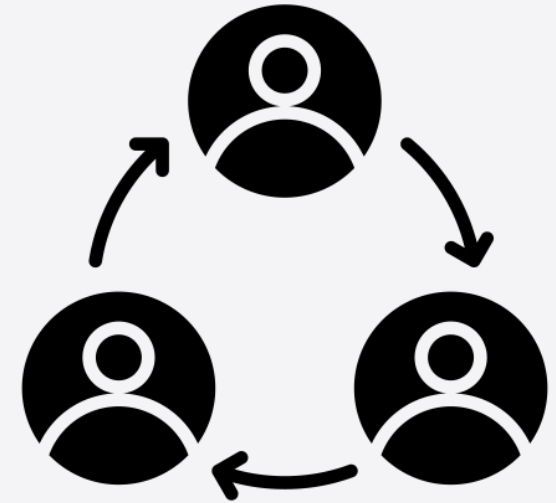

2024/25

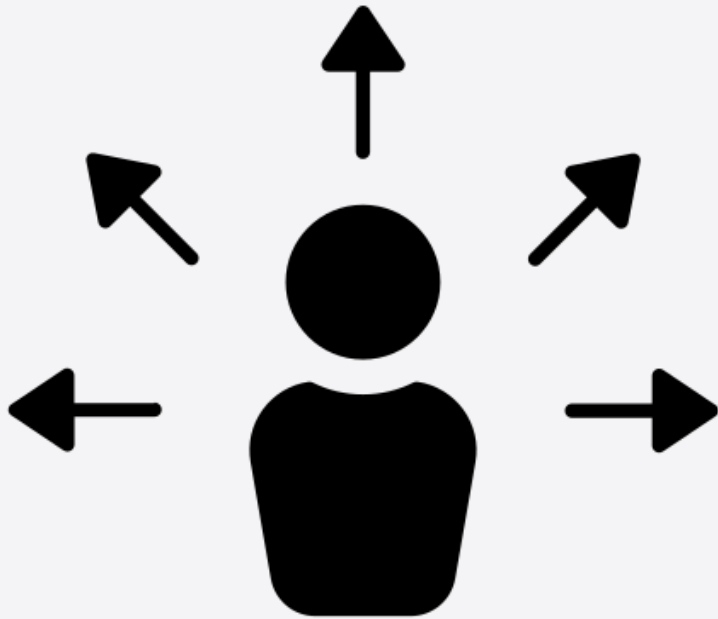

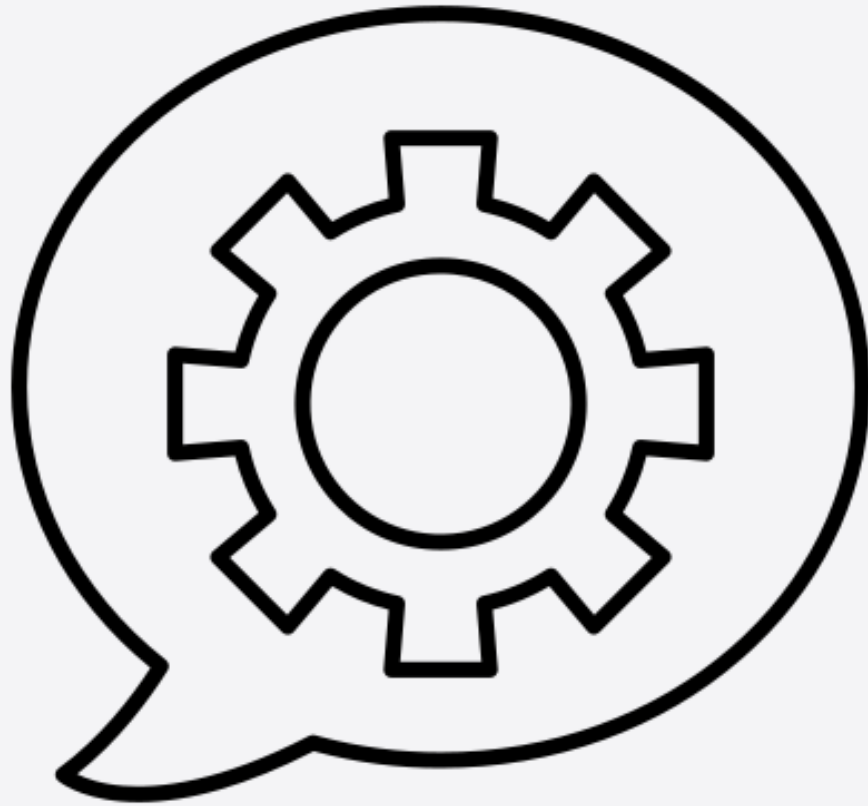

To continue to build a flourishing partnership between the school and its local parish to enhance the quality of Catholic Life and Collective Worship within the school; through work with families and parishioners to include them in the prayer life and mission of the school.

Ensure that pupils with SEND achieve well by ensuring that the curriculum is successfully adapted (through the 5 EEF strategies and sensory adaptations) and designed to meet the needs of pupils with SEND; developing their knowledge, skills and abilities to apply what they know and can do with fluency and independence.

Through the expert implementation of the behaviour curriculum and personal development programme, pupils behave with consistently high levels of respect for others. They play a highly positive role in creating a school environment in which commonalities are identified and celebrated, difference is valued and nurtured, and bullying, harassment and violence are never tolerated.

To continue to develop a high-quality programme of pastoral support.

To ensure that governors continue to carry out their role well, with a clear vision and strategy. Governors new to role are well inducted and can contribute effectively.
