MISS AMBLER

WE ARE LEARNING

Writing – We are looking at London and streets through time. Using metaphors, personification and conjunction of cause.

Maths – We are starting our new topic of 'Length, Mass and volume.'

Science – **plants**. We are researching and learning about seed dispersal. We are also looking at how water travels up a plant stem and how pollen travels.

Topic – **Geography. London**. Knowing all about London, where it is located, what is a capital city and London's history and growth over time.
